

Quinta da Alorna wines by Robert Parker

Quinta da Alorna Tinto/Red 2010

88 Points

«The juicy fruit is delicious, but this wine is also one with nice structure and some character, a touch of a beefy note that eventually blends into the whole. More importantly, I kept liking it more and more.»

Quinta da Alorna Reserva Tinto/Red 2010

89 Points

«The wine is otherwise lovely, beautifully constructed, bright and elegant in the mid-palate with some tannic pop and an otherwise graceful demeanor.»
